Dear Sir,

It is with great pleasure that I recommend Harsh Vardhan Ladha (12-1-5-003). I have known him for two years.
Harsh Vardhan Ladha has always displayed a high degree of integrity, responsibility, and ambition. He is very good learner, developer and leader. In addition to his excellent scholastic accomplishments, he has proven his leadership ability (development has been done with Yogesh Chauhan) by developing Management Information System (Academic Version, The rest part of MIS is ongoing), Excellent logging system for NIT Silchar, Online Recruitment Portal, Online Attendance System, Student Information System, Administering Learning Management System and Experienced with Apache Hadoop under the guidance of me. Recently, Harsh Vardhan Ladha has been assigned by Online Registration System and Online Admission System by NIT Silchar. Currently, Harsh Vardhan Ladha is developing "Advertisement Targeting & Recommendation Engine" on the Hadoop platform under the supervision of me. I am planning to develop petabytes of log processing in real time on the Hadoop platform with Harsh Vardhan Ladha (and Yogesh Chauhan) in January 2015.
He is also a most dependable team player. His good judgment and mature outlook ensure a logical and practical approach to his endeavors.

Harsh Vardhan Ladha would be an asset to any organization, and I am very happy to give him my wholehearted endorsement.

Thanking you.

Yours Sincerely,
Ripon Patgiri
